PETITIONING THE COURT

To incorporate the violation contained in this petition in future proceedings with the violations previously reported to the Court on September 3, 2025.

On June 9, 2025, Mr. Burnett signed his judgment acknowledging his understanding of his conditions of supervised release.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

7

Special Condition # 4: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: It is alleged that Mr. Burnett is in violation of his conditions of supervised release by using methamphetamine in between August 29 and September 2, 2025.

On September 3, 2025, Mr. Burnett reported to the probation office. A urinalysis test was requested and prior to submitting to urinalysis testing, Mr. Burnett admitted his urinalysis test would be positive for methamphetamine. He admitted to using said substance between August 29 and September 2, 2025, and signed a written admission.
